

# Forex Foundations: From Zero to First Trade

Beginner · Forex · Structured PDF Course (Test Content)

---

## About this test PDF

This is a test PDF file for Avenqor.

It is not a real course – it is only used to test downloads, layout and routing.

## You would normally learn:

- How the Forex market is structured and why that matters.
- Core terms, order types, spreads and slippage.
- Risk per trade, position sizing and simple journaling.

## Important risk notice

Trading Forex, Crypto and Binary options is high risk and can lead to total loss of capital.

This PDF is for educational and testing purposes only and does not contain financial advice or signals.
